That sounds good. And I hope that you received the discovery packet I faxed to you this morning.

12/12 works for the Commonwealth and Defense Counsel. I will ask the judge if its okay so put ███████ in your calendar for 12/12/11. If anything changes, I will let you know.

Carla-

I am available on 12/12/11 (I'm guessing that 12/12/10 was just a typo). Also, I received the drug receipt from the Boston lab, so I will be faxing the packet to you this morning.

Sonja,

Are you available on 12/12/10 for the ███████████ trial? I called D/C requesting a new date since you will be in Springfield and he's okay with moving it and requesting 12/12/10 for trial but I want to make sure you are available. Let me know.

Hi Carla-

I've gathered all the information for your discovery packet except for the drug receipt, which I am waiting for the Boston Lab to fax to me. Is there a number that I can fax the packet to once I receive the drug receipt? (The Amherst drug lab does not have a reliable scanner, so I will not be able to email it to you.) Thanks.

Hi Sonja,

Thanks for getting back to me so quick. Springfield eh? Well, here's what I am going to do. I'm going to call D/C and explain that you have 2 cases in Springfield and see if he will consent to getting another date because that will be a hike for you and the fact that I gave you incredibly short notice is on us. But yes, can you email me your CV and the discovery packet, that way I can fax it to defense counsel. I will call the D/C as soon as possible.

Hi Carla-

I have 2 district court cases scheduled in Springfield that day (3ʳᵈ trial date for one case and 6ᵗʰ trial date for the second). I'll email the ADA's involved and see what they think will happen with these cases. I can also ask them that, if I am needed, to have me testify in the morning so I could get to Taunton after the lunch break.

Also, are you going to need a copy of my CV and/or a discovery packet for the submission? Thanks.
